January is Graduate Study Information Month!

If you are considering a Masters or PhD degree in Civil or Environmental Engineering, we invite you to:

- Schedule a graduate study advising appointment with Professor Olson
- Sign up to shadow a CEE graduate student in the area of your interest
- Attend the SGUS information session to learn about the program and the possibility of funding:
  - Friday, February 1, 12:30-1:30 PM, 2315 GGB

§Contact Jessica Taylor for details.
