Ken Maschke, PE, SE, LEED AP BD+C
Associate, Thornton Tomasetti
Chicago, IL

Thursday, November 7, 2013
4:30 p.m. – 5:30 p.m.
Room 2305 GGBL

Bio: Ken Maschke joined Thornton Tomasetti in 2003 and works in the firm’s Building Performance practice, playing an essential role in structural investigations and renovations. His portfolio includes The University of Chicago’s adaptive reuse of the Chicago Theological Center, the award-winning Metropolitan Tower conversion and the Navy Pier Family Pavilion and South Arcade renovation. Mr. Maschke received his Master of Science in Engineering in Structures and Materials and his Bachelor of Science in Engineering in Civil and Environmental from the University of Michigan. In 2013, he was named a “Top 20 Under 40” professional by ENR Midwest.
